

LCBDD hires new Business Director

The Logan County Board of Developmental Disabilities (LCBDD) met on May 4, 2023 at 5:30 p.m. The meeting began with Superintendent, Krista Oldiges, providing local and state updates. Community Surveys have been sent out to families, providers and community partners. These surveys will provide feedback to agency administration, allowing staff to be recognized for strong performance and improvements to be made in areas in need of growth. Several agency policies were reviewed and one new policy on "Inventory Control" was implemented, as requested by Ohio Department of Education. A Field Placement Agreement with OSU for students was renewed, as well as several other provider contracts.

LCBDD has hired a new Business Director. Mrs. Jennifer Frail will begin in this position on May 16th. Mrs. Frail has been with Allen County Board of Developmental Disabilities, in a variety of positions for 15 years. She has been in their Business department for the past 6 years, working in business, accounting and technology. Mrs. Frail brings a vast knowledge of the DD system with her. She also holds a Master's Degree in Business Administration and is working on becoming a CPA. We look forward to welcoming her to Logan County.
